

Entering a P45 date

Refers to:

Person form → Payroll tab

The **P45/Leave** button is located on the **payroll** screen. You use this when a candidate leaves in order to end their period of entitlement to Holiday Pay.

Click on the **P45/Leave** button. From the resulting dialog box, enter a date and click **OK**. IQX calculates the final holiday pay to this date.

Note: ****This action does NOT tell the payroll to issue a P45**. This must be done separately.**

Note: The **Payroll** tab appears in both the **Temp** and **Accounts** sections
