Accounts Reports

Refers to:

Accounts menu → Reports option

- Standard reports include: Aged debtors, Invoice List, Payment list, Ledger List, Statements and Un-invoice Placement Analysis.
- User will normally have to provide a series of parameters in order for the report to run.
- To Print an open report click the **printer icon**, at the top left corner of the open report window.
- It may also be possible to **click-and-drag** a report to a contact event email in order to email the report.
- It may be possible to **Ctrl+click** to drill down into a sub report.
