User

Thumbnail photo on the button bar of the Person form

A thumbnail of the photo stored in Person – Photo can now be displayed on the top right hand of the Person form for ease of viewing when videoing through candidate records.

The screenshot shows the IQX software interface for a user profile. The window title is 'Sana Acevedo'. The top bar contains navigation icons and a menu with options: Reports, Register, Delete, Search, Help, Registration Report, Data Access Report, and Data Management. A thumbnail photo of a man is displayed in the top right corner of the main content area. The form is divided into several sections: 'Temp' (Division: International), 'Contact Events' (Name: Sana Acevedo, State: Current, Available From: Male 34), 'Diary' (Home Phone: 01632 931 813, Day Phone: 07700 996 930, Mobile: 07700 996 930, E-mail: Sana_Acevedo@iqx.co.uk), 'Shifts' (Key Skills: Food), 'Shift Progress' (HGV Licences, Fork Lift Truck, Tests Completed, Safety Gear), 'Availability' (CV dropdown), 'Requirements' (Max size 256Kb for reports, Load from File, Copy from Clipboard), 'Perm' (Accounts, Compliance), and 'Social Media'.

New Column on Expiry Dates View - Shifts After Expiry

A new column has been added to the expiry dates view called 'Shifts after Expiry'. This column shows the number of shifts booked after the first expiry date. This has been designed to assist with booking future shifts before a candidate has been re-cleared on the expectation that the clearance will happen in time.

Company - IQXWeb - way to Link Head Office to Group Companies

Where there are multiple companies in a group using the same account code and a head office contact needs to see data from all companies a way of adding links to all in one action now exists in the iqxWEB record on the company contact record.

Clicking 'Add Multiple Links' will allow the user to enter an account code and link all companies to the iqxWEB record. This will save time with companies that have a significant number of subsidiaries. An employment record will be added to each company record with a Note of 'Web User Link'. Use the Delete Link button to remove a company; the employment record will also be deleted unless contact events exist.

The screenshot shows the 'IQXWeb User Charlotte Morton, ABBA Ltd' window. The 'Links' tab is active, displaying user details: User Class (CLIENT), Name (Charlotte Morton, ABBA Ltd), Login ID (Charlotte), Email Address (*ivan@live.co.uk), and Expiry Date. Below this, there are buttons for 'Delete Link', 'Drag Person or Contact to this panel to create link', and 'Add Multiple Links' (which is circled in yellow). A table below these buttons shows a single entry for Charlotte Morton at ABBA Ltd. An 'Add Multiple Links' dialog box is open in the foreground, prompting the user to 'Add links to all Companies with' an 'Account code' (ABBA01) and providing 'Ok' and 'Cancel' buttons.

Company - Contact Department

This field has been changed to enable the user to select from a drop down as well as entering free text thereby saving time and ensuring uniformity of spelling. This is similar to vacancy position.

Requires System Administrator setup.

System Administrator

Thumbnail photo on the button bar of the Person form

A thumbnail of the photo stored in Person - Photo can now be displayed on the top right hand of the Person form for ease of viewing when videoing through candidate records.

To activate the thumbnail image set General Setting - Group of Settings - 3040 to Y.

Note if Person - Photo has been hidden in Modify Screen the thumbnail will not display.

Division filtering on Notifications

In Agency Setup – Notifications it is now possible to assign divisions to Notifications. Leaving the Divisions field blank means the Notification is available for all divisions.

Selecting a Division means the template will be available to a user if they are in All or the associated division.

2-17-10-b.png Note:- Each division needs to have a separate notification template allocated to it if the same template is to be used for more than one division. Alternatively leaving the division field blank allocates that notification to all divisions.

Company Contact add Departmental Questionnaire

In Agency Setup – Departments new Company Contact departmental questionnaire has been added.

Questionnaires ->	Candidate	Vacancy	Placement	Reference	Timesheet	Shift	Company	Contact
ID	Department	Searchable	Division	Analysis Code	Publish To Web	Sort Order	Extra Notes	
AA	Construction	<input checked="" type="checkbox"/>	Infrastructure	D1	<input checked="" type="checkbox"/>	20	<input checked="" type="checkbox"/>	
ED	Education	<input checked="" type="checkbox"/>	Support	E1	<input checked="" type="checkbox"/>	30	<input checked="" type="checkbox"/>	
MS	Events	<input checked="" type="checkbox"/>	Support	D2	<input checked="" type="checkbox"/>	40	<input checked="" type="checkbox"/>	
FS	Financial Services	<input checked="" type="checkbox"/>	Corporate	B1	<input checked="" type="checkbox"/>	50	<input checked="" type="checkbox"/>	

Display of the questions is based on the user's department.

Composite Company Template Maintenance Update

Composite Company Template Maintenance has been updated to bring into line with other approaches such as adding Departments to Shift Order Reasons.

In Temp Setup - Composite Co Pay Companies

To set up a new template:

1. Use Add to start a new template.
2. Use the arrow buttons to set the fields to be included.
3. Use **Next** → to open the form where you add the values.\

List Temps will open the person selector and display a list of all temps that are associated with that template.

To modify an existing template, use the arrow buttons to add new fields the use Next to add information to the new fields.

The screenshot shows the iqx software interface. At the top, there's a navigation bar with buttons for 'Reports', 'Register', 'Delete', and 'Search'. Below this is a sidebar with various sections: 'Temp', 'Contact Events', 'Get in Touch', 'Diary', 'Shifts', 'Shift Progress', 'Availability', 'Requirements', 'CV', 'Perm', 'Accounts', and 'Compliance'. The main area displays a form for 'Sana Acevedo'. The form has several sections: 'Division' (International), 'Known As' (Sana), 'Name' (Sana Acevedo), 'State' (Current), 'Available From', 'Personal' (Male 34), 'Home Phone' (01632 931 813), 'Day Phone', 'Mobile' (07700 996 930), 'E-mail' (Sana_Acevedo@iqx.co.uk), and 'Social Media'. There are also fields for 'Headline', 'Alert', 'Reg. Departments' (Industrial (Perm+Temp), Financial Services (Perm)), 'Dept. Questionnaire' (Industrial), 'Position Sought', 'Salary wanted', 'Key Skills', 'HGV Licences', 'Fork Lift Truck', 'Tests Completed', and 'Safety Gear'. A 'Next' button is visible at the bottom right of the form.

Next → opens the form where you add the values to the selected fields.
